## **QUESTION & ANSWER(s):**

**Question 1:** Is the training site such that space is available for the group of trainees to be broken down into smaller class size (ie.. 3 grps or 40 or 4 grps of 30) or is it expected to train all 120 trainees as a group at the same time?

Answer: The training number of 120 reflect current Correction Officers territory wide. Approximately 80 officers representing the Golden Grove Adult Correctional Facility and Detention Center on St. Croix while the remaining 40 Correction Officers represents the current staff on St. Thomas. All training to be performed will be site based at the respective facilities and can accommodate the numbers of the trainers in groups based on staffing availability.
